Course Description

- IELTS Guarantee Program is a highly functional and efficient system that addresses different learning conditions of students. It is a tailor-cut program wherein potential is maximized and optimized to acquiring the desired band score, and more importantly, to gaining knowledge to surpass the expectations set by society where linguistic skill is a major game changer.

Course Description

- The program offers a comprehensive introduction to the IELTS test, with a wide selection of interactive practice materials. Like the itself, the course contents are organized into four main skill areas: Speaking, Listening, Reading and Writing with the addition of IELTS Grammar in Group Class. Each Section of this course includes engaging in multi-media presentations and in-depth discussions reviewing key test taking skills, strategies and techniques. It aims to equip the students with the skills and strategies needed to take the IELTS Test with confidence to maximize their score.
